

# Amy Caremore

456 Serenity Street  
Louisville, KY 40204  
Phone: 555-555-5678

**Objective:** Experienced SRNA with a passion for geriatric care and enhancing resident wellbeing, seeking a Restorative Nurse Aide position at Oakmont Manor.

## Top Skills:

- Excellent knowledge of geriatric patient care and ADL assistance
- Skilled in vital-signs monitoring and patient observation
- Strong communication and interpersonal abilities
- Compassionate and patient-focused approach to care
- Efficient and detailed in electronic medical records (EMR) documentation

## Recent Work Experience:

### **SRNA: Carebrook Assisted Living, Full-time Night Shift (20XX–20XX)**

- Assisted an average of 15 patients per shift with daily activities, including hygiene and feeding.
- Checked vital signs once per shift, rounded on patients every 3 hours, and assisted RNs in positioning.
- Head of hygiene committee, supporting unit sanitation measures to decrease COVID transmission between residents.

### **SRNA: MedHome Nurse, Part-time Day Shift (20XX-20XX)**

- In-home services included light housekeeping, meal preparation, personal care, and errands.
- Assisted with medical appointments and transports.
- Patient populations emphasized older adults and patients in hospice care.
- Communicated effectively with family members and the healthcare team to ensure coordinated care.

## Certifications

**Kentucky State Registered Nurse Aide:** License #65432

**American Heart Association Cardiopulmonary Resuscitation:** License #127643
