Rescue, CA, 95672
Phone: 530-555-5678

Dedicated critical care nurse with a passion for providing high-quality patient care in critical settings. Known for decisive decision-making, strong teamwork, and a commitment to ensuring positive patient outcomes. Adept at managing complex medical situations while maintaining a calm and reassuring demeanor.

Work Experience

RN, Full-Time Day Shift, Medical ICU, Saint Francis Memorial Hospital
(September 20XX–present)

- Mentored junior staff nurses on critical care protocols, enhancing team efficiency and knowledge sharing within the ICU department.
- Administered life-saving treatments, including medication titrations, mechanical ventilation, and hemodynamic monitoring, ensuring accurate and timely interventions.
- Implemented and coordinated patient care plans, collaborating closely with interdisciplinary teams to optimize patient outcomes.

RN, Full-Time Night Shift, Cardiac ICU, Zuckerberg San Francisco General Hospital
(April 20XX–August 20XX)

- Managed a caseload of up to 3 critical patients per shift, implementing immediate interventions and ensuring optimal care and stability.
- Collaborated with multidisciplinary teams to develop and execute treatment plans, resulting in a 20% decrease in patient complications.
- Assisted in emergency procedures, including intubations and central line insertions, ensuring swift and accurate critical care delivery.

RN, Full-Time Night Shift, Cardiac Tele Unit, Zuckerberg San Francisco General Hospital
(May 20XX–April 20XX)

- Grew critical thinking, cardiac assessment, and basic patient-care skills on a 23-bed heart failure unit

Achievements

- Assisted with the implementation of new evidence-based antimicrobial line caps, including staff in-service and ongoing education
- Assisted with the implementation of new seizure precaution equipment, including staff in-service and equipment maintenance
- DAISY award recipient, 20XX
