

MARY SMITH

Richmond, Virginia | firstlast@email.com | +1 (555) 555-5555

Registered nurse with 10 years of acute care experience devoted to providing competent, safe nursing care to pediatric patients. Commended for using evidence-based practices and cross-cultural communication to develop over 200 pediatric patient care plans. Received the Daisy Award in 201x, 202x, and 202x for empathetic, compassionate, competent bedside care.

Education

1234 School of Nursing, Richmond, Virginia 20XX
Bachelor of Science in Nursing (BSN)

Professional Experience

ABCD Children's Hospital, **Registered Nurse**, 20XX–present

- Collaborates with multidisciplinary healthcare team of nine professionals to treat and manage complex pediatric diagnoses.
- Provides comprehensive hands-on care for five patients, performing detailed assessments, creating individual daily care plans, and implementing complex treatments.
- Serves as a charge nurse in a 30-bed unit, creating nurse assignments, facilitating effective communication amongst the healthcare team, and assisting nurses in safe, quality care.
- Administers medications and implements a variety of nursing interventions, including inserting IVs, monitoring vital signs, tube feedings, and providing wound care.

ABC Pediatric Primary Care, **Registered Nurse**, 20xx–20xx

- Collaborated with physician and three other nurses in creating a safe, relaxing environment for parents and their children.
- Administered ASQ's, obtained patient measurements, and provided high quality patient and parent education.
- Organized lactation support groups for mothers in the community, leading and facilitating groups of eight mothers at a time.
