

OB-GYN Nurse

Ready to make a direct impact on the lives of patients? *[Facility name]* is looking to hire an experienced OB-GYN nurse to work in our downtown fertility clinic. As the newest member of our team, you'd be expected to work five 8-hour shifts per week. Top applicants will have at least two years of previous OB-GYN experience and will be RNC-OB certified.

As a Daisy Award winning team, we're proud to foster our values of compassion, innovation, and clinical excellence in everything we do. If this sounds like a job you'd be interested in, continue reading as we outline our organization's benefits, scheduling expectations, and OB-GYN education requirements.

Benefits

- Competitive pay
- Health, dental, and vision benefits
- FSA/HSA options
- Paid vacation and holidays, family leave, and sick time
- 401(k) matching and access to our pension program
- Paid continuing education credits
- \$5,000 annual tuition reimbursement
- Discounts for local restaurants, gyms, and amusement parks
- Free employee parking

Duties and Responsibilities

OB-GYN nurses at our organization are expected to perform the following duties:

- Assist with patient admission, documenting their medical history, collecting their vital signs and performing pelvic exams.
- Educate patients on fertility treatments, contraception options, and what to expect during pregnancy.
- Administer pregnancy-related immunizations, vitamins, and medications, monitoring for any adverse side effects.
- Provide physical and emotional support to patients and their family members during the labor and delivery process.
- Collaborate with the multidisciplinary team to establish an individualized care plan for each patient.

Compensation and Schedule

- Starting salary of \$110,000, with adjustments made for relevant education and experience
- Full-time employment, working five scheduled 8-hour shifts per week (Monday-Friday)
- Overtime, holiday, and incentive pay available
- Bi-weekly pay periods

OB-GYN Nurse Qualifications and Skills

Required Qualifications:

- Active and unencumbered RN license
- ADN
- BLS and ACLS certified
- Previous nursing experience in a labor and delivery or OB-GYN setting

Preferred Qualifications:

- RNC-OB and C-FEM certified
- BSN
- At least 5 years of OB-GYN experience in a similar care environment
- Bilingual in English and Spanish
