

## Aesthetic Nurse Job Description

Ready to take an exciting next step in your nursing career? Here at *[facility name]*, we're looking to hire an aesthetic RN to join our cosmetic surgery team. We've been recognized as the "#1 Center for Cosmetic Surgery" in the greater Boston area and we pride ourselves on helping our patients look and feel their best every day.

As the newest member of our team, you'll be expected to provide medical-grade facials and injection treatments in our downtown dermatology clinic. Qualified candidates will have at least two years of aesthetic nursing experience in a similar care environment. If this sounds like a job you're interested in, continue reading as we outline the duties, responsibilities, and scheduling requirements for the position.

## Benefits

- Competitive pay
- FSA/HSA options
- 401(k) matching and access to our company's pension program
- Low-cost healthcare, dental, and vision insurance
- Generous paid vacation/holiday/family leave
- Free continuing education (CE) courses
- Tuition reimbursement of up to \$8,000 per year
- Discounts for local restaurants, gyms, and amusement parks
- Free employee parking

## Duties and Responsibilities

Aesthetic nursing professionals at our organization are expected to perform the following duties:

- Review each patient's medical history, taking note of any drug allergies
- Maintain a sterile procedure environment
- Verify that procedure consents have been signed
- Collect vital signs and monitor for any adverse effects during cosmetic procedures
- Assess for pain and provide analgesic medication
- Collaborate with the multidisciplinary team to establish a plan of care for each patient
- Provide discharge teaching to patients and their family members

## Compensation and Schedule

- Starting salary of \$120,000, with adjustments subject to education level and relevant leadership experience
- Annual salary step increases are offered after strong employee performance reviews
- No weekend, night, on-call, or holiday requirements
- 5 scheduled 8-hour day shifts (8a-4p) per week
- Bi-weekly or weekly pay schedule

## Aesthetic Clinician Qualifications and Skills

### Required Qualifications:

- Active and unencumbered LPN or RN license
- Practical nursing diploma
- At least 2 years of previous cosmetic nursing experience
- BLS certified

### Preferred Qualifications:

- Aesthetic nurse certification (DNC, CSPN, or CANS)
- ADN or BSN degree
- Previous leadership involvement (charge nurse, team captain, code leader)
- 5+ years of cosmetic nursing experience
- Bilingual in English and Spanish
