

Clinical Nurse Leader

Here at [facility name], we're looking to hire an experienced clinical nurse leader (CNL) to work in our cardiac care unit (CCU). In this role, you will collaborate with bedside nurses and care coordinators to ensure our patients receive the exceptional care they deserve.

We pride ourselves on being "The Nation's #1 Hospital for Cardiac Surgery" and recognize that supporting and empowering our clinical team is the key to providing high-quality care. We're proud to offer competitive salaries, well-rounded benefits, and scheduling that promotes real work-life balance. If this sounds like a position you'd be interested in, continue reading below as we outline our CNL job duties, expectations, and degree requirements.

Benefits

- Competitive pay
- Health, dental, and vision benefits
- FSA/HSA options
- Paid vacation and holidays, family leave, sick time
- 401(k) matching and access to our pension program
- \$5,000 annual tuition reimbursement
- Subsidized public transportation
- Discounts for local restaurants, gyms, and amusement parks
- Paid continuing education credits

Duties and Responsibilities

Clinical nurse leaders at our organization are expected to perform the following duties:

- Review facility policies to ensure they meet evidence-based practice guidelines
- Educate staff, patients, and their family members on clinical care goals and strategies
- Coordinate and execute clinical research projects aimed at improving patient health outcomes
- Assist with patient admission, transfer, and discharge to streamline safe care delivery
- Collaborate with nurse managers to develop cost-effective strategies that boost patient and staff wellness
- Attend local conferences, symposiums, and seminars to stay up-to-date on the latest healthcare trends and innovations
- Precept and mentor students enrolled in local clinical nurse leader programs

Compensation and Schedule

- Starting salary of \$90,000, with adjustments made for relevant education and experience
- Full-time employment, working Monday through Friday for 8-hour shifts (8a-4p)

- 1 weekend (Saturday/Sunday 8a-4p) and 1 on-call shift (4p-8a) required per month
- Overtime, holiday, and incentive pay available
- Bi-weekly or weekly pay periods

Clinical Nurse Leader Qualifications and Skills

Required Qualifications:

- Active and unencumbered RN license
- MSN required, DNP preferred
- CNC Clinical Nurse Leader Certification
- At least 2 years of bedside nursing experience
- At least 2 years of CNL experience at a similar institution

Preferred Qualifications:

- Experience leading evidence-based practice projects, quality improvement initiatives, and other clinical research trials
- Previous participation in shared governance councils
- Bilingual in English and Spanish
